

Rebuilding after Covid

Dear residents,

The elections for the Isle of Wight Council are coming up on Thursday 6th May and I would like to introduce myself as I am standing as a Liberal Democrat candidate for Totland & Colwell.

I work in the internet industry and have been a Totland & Colwell resident since we moved to this beautiful part of the Island in 2017. My links to the Isle of Wight started as a schoolboy just across the water, then family sailing and visits over the years.

Mike Locke

I am part of West Wight Social Club, West Wight Sports & Community Centre, the West Wight Help Hub, Friends of Freshwater Library, Feline Welfare and other local initiatives such as Beer & Buses. I believe that as the island rebuilds as the pandemic eases, the benefits of recovery should be available to all residents. And we need to fight to keep the unique character of the Isle of Wight.

But enough about me: I would really like to hear about **you** and **your concerns**.

The Government has said leafleting and social distanced doorstep canvassing can now take place.

However, I am mindful that many people still feel vulnerable and concerned so I was hoping that you may find the time to complete this survey — I am listening.

You can return the survey either by post or online — contact details overleaf.

Best Wishes and Thank You,

Mike Locke LibDem Campaigner for Totland & Colwell
