

New Electoral Division—New Councillor

This election sees new boundaries. Plus the existing councillor for the old Division of Totland is standing down. So you have the opportunity to return a new councillor for our new Electoral Division: Totland and Colwell.

Working with an effective party group of Liberal Democrats means I will be able to get better support for what our community needs.

Beautiful Totland Bay.

Hallo. I've noticed that other candidates are keen to tell you what **their** plan is. I'm keen to respond to what **you**, my fellow Totland & Colwell residents, think is important.

The job of a local councillor is to represent the views of residents in the Electoral Division without fear or favour. I promise to do that for you.

Yes, I am a Liberal Democrat. I've been a Liberal all my life (my grandfather was an ambulance driver in WW1). You can see my principles inside.

But my job as a Councillor will be to put **your** views forward at Council level. I promise you I will do that.

Local Issues

Many thanks to all fellow residents who have responded to my survey or been in direct contact. Your input is much appreciated. These are the issues which you want on my agenda:

- Safety on the water: protect swimmers, other water sports and beach users from powered water-craft such as jet-skis by effective siting of buoys and signage.
- Access to the beach at Brambles Chine: this impacts walkers, visitors and the 6 June Festival of Running. It has taken too long to get the steps fixed.
- The litter problem appears to be growing: how can we solve this?
- Speeding.
- Good public toilets are a valuable amenity for both residents and visitors: the new Gate Lane toilets should be built on time and budget.
- Support valuable local amenities: the excellent West Wight Sports & Community Centre, Help Hub, Heritage Centre and Freshwater Library to name just a few.
- Support the plans for new sports facilities.
- Sensitive local planning: brownfield development preferred.

If, elected, I will be in a unique position to get the Council and both Parish Councils to work as closely as possible and attempt to get some joined-up thinking for us here in Totland, Colwell and Freshwater.

Local Community Heroes

The pandemic has hit our community hard. But we've responded with a rejuvenated sense of community. I will work hard to support and develop that. And I would like to say "thanks" to all the people who help us keep going: our NHS, the WWS&CC, posties, couriers, bus drivers, and, of course, everyone in shops and pubs!

Liberal Democrat principles for a Fairer Island

As LibDems, our prime objective is to serve our voters. Our principles will guide us as we go forward. We have consulted widely, drawn on the experience of our hard-working Councillors, listened to local residents and have compiled our 10 Steps to a Fairer Island.

- ✓ Sustainable economic recovery
- ✓ Better, fairer, housing planning
- ✓ Bring redundant buildings back into use
- ✓ Protect our precious natural environment
- ✓ Support the vulnerable
- ✓ Develop community links with schools and businesses
- ✓ Keep council services on the Island
- ✓ Resolve the Floating Bridge farce
- ✓ Address sky-high ferry fares
- ✓ Open local government

The 7 Nolan Principles of Public Life

In these days of sleaze and unaccountability in public life, we should remember that there are the Nolan Principles for those in public office.

- ◆ Selflessness
- ◆ Integrity
- ◆ Objectivity
- ◆ Accountability
- ◆ Openness
- ◆ Honesty
- ◆ Leadership

I promise to follow these in full at all times. You deserve a Councillor that behaves properly (and a better standard of behaviour at Council meetings wouldn't hurt!)
